On 12/16/20 at 6:00pm Cloverbud parents and leaders had their first meeting to discuss ideas for the future of our cloverbud program for 4-H here in Lake County. Amongst the many things discussed, they pushed for cloverbud workshops, and cloverbud inclusion at events and other projects. We wish to also have some presentation and public speaking for cloverbuds at our events.

Be sure to think about how you can include your cloverbuds at your 4-H club meetings! We will be announcing Cloverbud workshops soon, and Please bring your cloverbud to project day to participate in many projects we will have available!
